Create your own Superhero Comic Strip

In *Flora & Ulysses*, Ulysses the squirrel develops superpowers.

If you were creating a superhero, what animal would you choose?

Create your own comic book superhero animal using Ulysses as a guide. Tell the superhero's story with both words and pictures, using word bubbles as in a comic strip. Use the comic strip template on the following page to fill in your story, or you can create your own!

You may want to include:

- a superpower
- a special name
- how that character hides his or her superhero self
- friends
- enemies
