Vaughan Public Libraries Community Branches are Opening & Hours are Extended!

VAUGHAN, ONTARIO – On Tuesday, September 7th at 9 am, all Vaughan Public Libraries (VPL) Community Branches will officially open to the public, except for Maple Library, which continues to undergo renovations.

After almost 18 months of closure and an average of 8,500 citizen visits to their 3 Resource Library branches every week, VPL is ready to welcome back its customers. With students returning to school in September, VPL understands the importance of opening its Community Branches to the public and is prepared to do so while opening cautiously and safely. Customers will be able to browse our physical collection, use study and reading space, and use public computers.

With the opening of Community Branches, extended hours of operations are also being introduced.
