

## **OVERVIEW**

OverDrive is a web platform for e-books, e-audiobooks and digital magazines available for free through Vaughan Public Libraries. It uses the mobile app Libby. You will need an internet connection, a Vaughan Public Library card and PIN log in to download titles. Once titles are downloaded into the Libby App, you do not need an internet connection to read or listen to the items.

## LIBBY

Download the Libby app in Play Store for Android or App Store for Apple.

2 The app will guide you through setting up your account. Select the following options:

- i. When asked "Do you have a library card?" select 'Yes'
- ii. Select 'I'll Search For A Library'
- iii. Type Vaughan Public Libraries in the search bar and select it
- iv. Select 'Enter Library Account Details'
- v. Type in your library card number, and then your PIN. Tap 'Sign In'. You should see a picture of your library card. Tap 'Next' to complete set up.

3 You are now set up! On the bottom of the screen, you will see a menu to help you navigate the app.

**Search** – allows you to search for titles using keywords and filters

**Library** – allow you to browse and search for content from your library's OverDrive collection

**Settings** – leads to settings, notification preferences and security

 $( \mathbf{n} )$ 

**Shelf** – leads to items you borrowed or placed on hold

Activity – shows you a timeline of your borrowing history

To check out a title, tap on the cover image. Then, tap 'Borrow'.

5 Libby automatically downloads titles to your device, which allows you to read or listen while offline. To change this feature, tap the 'Actions' button on your Shelf page. Then tap 'Change Download Rule's to select your preferences.
